I can't take them on my own, my own
Oh, I'm not the one you know, you know
I have killed a man and all I know
Is I am on the run and go.
                              B
Don't wanna call you in the nighttime
                              Gb
Don't wanna give you all my pieces
                              B
Don't wanna hand you all my trouble
                              Gb
Don't wanna give you all my demons
                            B
You'll have to watch me struggle

But tonight I'll need you to stay.
