Intro: G C

G
I see the colors of the world they're rearranging
Em
The center sentinels are cunningly estranging all
G
I think a little about a lot I'm introverted
You think a lot about a little never heard it
Em
All of our energy
D C
Bring these words to life

G C D
We stay up late and draw the lines to every constellation
G C D
We live with all our sorrows tied to age and separation
Em C
These are the days of love and life
G D
These are our expectations
Em C
We stay up late to live tonight
G D
This is our destination

(G)
