Bright Eyes - Classic Cars

Tom: E

(com acordes na forma de D)
Capostraste na 2ª casa

Tabbed by: Yoshima
Email:

Tuning: Standard
Capo: 2nd Fret

Chords used relative to capo:

.....G.....D.....A7....Bm.....A.....A(alt)

It is acceptable to change the 'A7' chord for the 'A'. The 'A' sounds more
'powerful' than the 'A7' and so is more suited to the chorus.

If you don't wan't to play the 'interludes' just strum a chord, i think
'A' works best a these points.

>>>

```
>>>Verse

D.............................G..................
I learned to listen felt like I was back at school

A7...........................Bm............G...
She'd talk forever about the phases of the moon

.........D....................................G..............
..
Saying, "Everything is a cycle, you've got to let it come to
you

............D..............A7...........D..
And when it does, you will know what to do"

>>>then; interlude 4

Guitar 1;

Guitar 2;
