Ed Sheeran - One Life

Tom: Bb

(forma dos acordes no tom de G)
Capostraste na 3ª casa

```
            G
It's such a beautiful night, to make a change in our lives
D
East Anglian sky, empty bottle of wine
Em
I got you by my side, talking about love and life
C
Oh how lucky am I, when I look in your eyes?

G
What a wonderful way, to spend a moment or two
D
To be lying awake, and be here talking to you
Em
I got something to say, I know what I gotta do
C
To be making a change, now the moment of truth

Am
Why am I so nervous?
C
Things are going so perfect
G
I don't know if it's worth it
D
To spend forever with you

     G                  D
So I count to three, get on one knee
      C                Em    D
And I ask you, darling honestly
     G                           D
I've waited all this time, just to make it right
     C                         Em    D
So I ask you, tonight, will you marry me?
          C
Just say yes
          C         D         G
It's one word, one love, one life

G
A gentle touch of the hand, fingers running through hair
D
Lips pressed to my lips, oh I was caught unaware
Em
Oh so many times, I gazed in both of her eyes
C
What a beautiful way to spend the rest of a life

G
Some will reappear, burning auburn and red
D
I'll chest the pill, bring us home to bed
Em
Last night was the night, one last moment of truth
C
What a wonderful way, to fall in deeper in with you

Am
Why was I feeling nervous, when?
C
Things were going so perfect, and
G
Now I know it's worth it, to
D
To spend forever with you

     G                  D
So I count to three, get on one knee
      C                Em    D
And I ask you, darling honestly
     G                           D
I've waited all this time, just to make it right
     C                         Em    D
So I ask you, tonight, will you marry me?
          C
Just say yes
          C         D         G
It's one word, one love, one life

G
Your hand in mine
Em
Some things were just meant to be
G
Hearts intertwined
Em
Some things were just meant to be
G
In perfect time
Em
Some things were just meant to be
G
Oh you and I
Em
Some things were just meant to be

G
Your hand in mine
D
Some things were just meant to be
C
Hearts intertwined
Em
Some things were just meant to be
G
In perfect time
D
Some things were just meant to be
C
Oh you and I
Em
Some things were just meant to be
```
