intro e 1ª parte:

1ª Parte:
D
Turn away
If you could get me a drink
Of water 'cause my lips are chapped and faded
Call my aunt Marie
Help her gather all my things
And bury me in all my favorite colors
My sisters and my brothers
Still
I will not kiss you
'Cause the hardest part of this is leaving you.

'Cause I'm awful just to see
And all my hair's abandoned all my body
Oh, my agony
Know that I will never marry
Baby, I'm just soggy from the chemo
I'm counting down the days to go
This just ain't living
I just hope you know
