

0h30 - Calor da Pele

Cm

tom:

(**Cm Dm**)

Dói na pele o tempo que eu me afasto de voce
A carícia comedida na medida
Malícia entre nós

(**G F**)

Desatar os nós
Desatarmos nós

(**Cm Dm**)

Cumprimente afetados
Sem medida a navegar

(**G F**)

Num oceano de mágoas
Ressalvas da nossa inquietação

Cm Ab7 Gm Gm C7 Am D7 G7 Cm F7 Eb7 D7

(**Cm Dm**)

É tanto a dar que eu me afogo

Andar no caminho dos sonhos
Afangos artimanhas planos de mim e você

(**Cm Dm**)

Dói na pele o tempo que eu me afasto de voce
A carícia comedida na medida
Malícia entre nós

(**G F**)

Mas quem sou eu
Pra desatar os nós, quem sou

(**Cm Ab7 Gm F F Em- A7 D7**)

E7 A7 D7

Lume em céu aberto
Em meio a tempestade
Uma gota do mar
Um grão do deserto

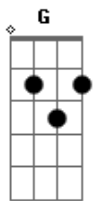

F7 Eb

Um ruído ao longe

Dispersa
