```
Tom: Eb

 (com acordes na forma de C )
Capostraste na 3ª casa
 Am              C            G          D
Oh, yeah,
Am              C            G          D
alright.. ooh

                 Am
Everyone knows
                C                      G
All about my direction
                    D
And in my heart somewhere
            Am
I wanna go there
                        C
But still I don't go there

                              G
Everybody says "say something"
                            D
Say something, say something
                                  Am
C
Let's say something, say something, say something..
                        G                                D
I don't wanna get caught up in the rhythm of it
                 Am                                     C
G
But I can't help myself, no, I can't help myself, no, no
                              D
Caught up in the rhythm of it
                 Am                                     C
G
No I can't help myself, no I can't help myself, no, no
                            D
Caught up in the rhythm of it

                                 Am
C
Maybe I'm looking something that I can't have (maybe I'm
looking something that I can't have)
                                 G
D
Maybe I'm looking something that I can't have

                Am
Everyone knows all
            C                              G
About my transgressions
                  D
Still in my heart somewhere,

In melody and harmony
For you and me, tonight (whoa)
I hear them call my name

                              G
Everybody says "say something"
                            D
Say something, say something
                                  Am
C
Let's say something, say something, say something..
                        G                                D
I don't wanna get caught up in the rhythm of it
                 Am                                     C
G
But I can't help myself, no, I can't help myself, no, no
                              D
Caught up in the rhythm of it
                 Am                                     C
G
No I can't help myself, no I can't help myself, no, no
                            D
Caught up in the rhythm of it

                                 Am
C
Maybe I'm looking something that I can't have (maybe I'm
looking something that I can't have)

                                 G

D                                                F
Am      C
Sometimes the greatest the way to say something is to say
nothing at all
                            G
D                                                F
