                                                                          Am
                                                        I keep your picture upon the wall.
(verso 1)
                                                                       Ab7 Dbm
                                                        It hides a nasty stain that's lying there.
I'm not in love,
                     so don't forget it.
                                                                         Am

                                                        So don't you ask me to give it back.
It's just a silly phase I'm going through.
                                                                                                          Dbm7
                                                                         Ab7
                                                        I know you know it doesn't mean that much to me.
                     \mathsf{Am}
And just because
                     I call you up,
                                                                         Gbm B E E

                                                        I'm not in love, no no, it's because...
Don't get me wrong, don't think you've got it made.

I'm not in love, no no, it's because...
                                                        Ooh, you'll wait a long time for me.

I'd like to see you, but then again,
                                                        Ooh, you'll wait a long time for me.
