An old, true friend of ours was talkin on the phone, she said she'd found someone
A7
And I thought of all the bad luck, and the struggles we went through

How I'd lost me, and you'd lost you
A7
What are these voices outside life's open doors
G A7
Make us go out for containers and beg for something more
D Bm A7
G
I'm learning to live without you now and I miss ya sometimes
D Bm
And the more I know, the less I understand
G A7
And all the things I thought I knew, I'm learning again

D Bm
I've been trying to get down to the heart of the matter
G A7
When my week gets weak and my thoughts have been scattered
D Bm
But I think its about Forgiveness, Forgiveness
G A7
Even if, Even if you don't love me any more

(D D2 D D2 D D D D2 D)

D A7
G
And these times are so uncertain, there's a yearning undefined, and people filled with rage

We all need a little tenderness, how can love survive, in such a placeless age?
A7
The trust and self assurance that lead to happiness
G
All the silly things we kill, I guess
A7
No pride and competition cannot fill these empty arms
G A7
And the work I've put between us, you know it doesn't keep me warm
D Bm A7 G
I'm learning to live without you now, and I miss ya baby
D Bm
And the more I know, the less I understand
G A7
All the things I thought I'd figured out, I have to learn again

(refrão)

A B
