

12 Stones - Lie To Me

Tom: **G**
Intro: 2x: **Am F C G**

Solo de Guitarra:

A candle burns away
The ashes full of lies
I gave my soul to you
You cut me from behind

(**Am F C G**)
Nowhere to run and nowhere to hide
Your scared of the truth, I'm tired of the lies
Cause who I am
Is where you want to be

Refrão:
(**D F C G**)
Don't act like an angel
You've fallen again
Your no superhero
I've found in the end

(**D F C G**)
So lie to me once again
And tell me everything will be alright
Lie to me once again
And ask yourself before we say good bye
D F
Well good bye
Was it worth it in the end?

A million miles away

You left me broken and betrayed
It's the same old story
