Solo de Guitarra:

A candle burns away
The ashes full of lies
I gave my soul to you
You cut me from behind
            G)
Nowhere to run and nowhere to hide
Your scared of the truth, I'm tired of the lies
Cause who I am
Is where you want to be
Refrão:
(D F C G)
Don't act like an angel
You've fallen again
Your no superhero
I've found in the end
(D F C G)
So lie to me once again
And tell me everything will be alright
Lie to me once again
And ask yourself before we say good bye
Well good bye
Was it worth it in the end?
