Am
Fear falls

Hard like rain again

Washing over me

You say nothing will ever change

What do I believe

Am F
You fall deep inside again

Nothing left to see

Weakness fills your heart again

You put it to rest

D E F
Forfeit everything because you were never

Strong enough

C E D C
Close my eyes again and pray that life will not

Am F Am
Give up

F Am
I try to see your face again a photograph for me

Your voice calling out again nothing left for me

You try to find your place again waiting just to

Breathe

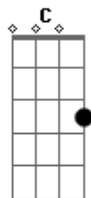

F
Weakness takes your heart again you put it to

Am C D
Rest... locked inside again

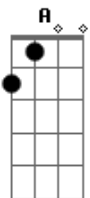

Am C
D Locked inside again
D Am C D
Locked inside again

Am G
