

# 14 Bis - Ponta de Esperança

Tom: G

Agora imagine seu corpo sem nada

Sem nada que possa negar sua luz  
E cada lugar tocado por nós

Vai ser além do mal

Brilhar além do todo azul

Ah! festejar o chão

Dança menina

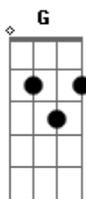

Clareira  
Ponta de esperança

Clareira  
Ponta de esperança  
A porta dos corações  
Sempre aberta pra nós

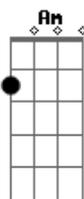

A estrela da sorte que acontecer  
Toda massa de sol despencando no mar

Todo amor  
Será porque será por prazer  
Que nunca venha a ser contra nós, contra nós
