

18 - Still Breathing

Tom: C

I'm like a child looking off in the horizon
G
I'm like an ambulance that's turning on the sirens
Am F
Oh oh oh, I'm still alive

I'm like a soldier coming home for the first time
G
I dodged a bullet and I walked across a landmine
Am G F
Oh oh oh, I'm still alive
C
Am I bleeding?
G
Am I bleeding from the storm?
Am F
Just shine a line into the wreckage, so far away, away

'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away

'Cause I'm still breathing C Bm-
'Cause I'm still breathing on my own Am G
My head's above the rain and roses F
Making my way away G
My way to you C

C
I'm like a junkie tying off for the last time
G
I'm like a loser that's betting on his last dime
Am F
Oh oh oh, I'm still alive
C
I'm like a son that was raised without a father
G
I'm like a mother barely keeping it together
Am G F
Oh oh oh, I'm still alive

C
Am I bleeding?
G
Am I bleeding from the storm?
Am F
Just shine a line into the wreckage, so far away, away

'Cause I'm still breathing C Bm-
Am
'Cause I'm still breathing on my own G
F
My head's above the rain and roses
G
Making my way away

'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away, away

Am G F C
As I walked out on the ledge
Am G F C
Are you scared to death to live?
Am G F C
I've been running all my life
Am G
Just to find a home that's for the restless
F
And the truth that's in the message
G
So far away away away

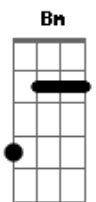

C Em F G

'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away

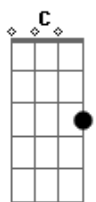

'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away, away

'Cause I'm still breathing
'Cause I'm still breathing on my own
My head's above the rain and roses
Making my way away
My way to you
