

1Plugged - You Thought You Were Alone

Tom: G

G G G
Sad when no one cared
You thought you were alone
G G G
How is it going to be? The way they gonna look to you now
G G G
They feel your pain
Em
Tears became the rain
D Am
The world is on your back
C G
And It's heavy to your bones
D Am

You thought you were alone
C G
You thought you were alone
G G G Em
You left sequels, in the mind of who loved you
G G G
They can't feel this way
G Em
They can't feel forever
D Am
The world is on your back
C G
And It's heavy to your bones
D Am
You thought you were alone
C G
You thought you were alone
