Tuning: EADGBE
Intro:

Ohh yeah...

VERSE 1:

You said i had something to say, then you got that look in
your eye
Ive been down the wrong road tonight, & I swear ill never go
there again

There is something youve got to know, you said it as you
started to cry...
Ive seen this face once before, & I dont think i can do this
again...

CHORUS:

Theres something I cant see
Something living in the way you smile
Behind those eyes you lie

And theres nothing i can say
Cause im never gonna change your mind
Behind those eyes you hide...

VERSE 2 (Do Intro or Verse 1):
As you turned to walk away
I saw another look in your eye
And even though it hurt like it did
I couldnt let the spirit by...

You say that your sorry
And you say that it hurts you the same
Is there something here to believe
Or is it just another part of the game?

>REPEAT CHORUS

ADLIB:
