

3 Doors Down - Changes

Tom: **G**

Intro: /Verso:

I'm not supposed to be scared of anything
But I don't know where I am
I wish that I could move but I'm exhausted
and nobody understands (how I feel)
I'm trying' hard to breathe now
But there's no air in my lungs
There's no one here to talk to
And the pain inside is making me numb

Am **G**
Try to hold this under control.
Am **G**
You can't help me, cause no one knows

Refrão:

Now I'm goin' through changes, changes
God , I feel so frustrated lately
When I get suffocated, save me
Now I'm goin' through changes, changes

Verso:

Feelin' weak and weary
Walkin' through this world alone
Everything they say every world of it
Cuts me to the bone, (and I bleed)
I've got something to say
But now I've got nowhere to turn

It feel like I've been buried
Underneath all the weight of the world

Am **G**
I try to hold this under control
Am **G**
They can't help me, cause no one knows

Refrão:

Now I'm goin' through changes, changes
God , I feel so frustrated lately
When I get suffocated, save me
Now I'm goin' through changes, changes

G **Am** **D** **C**

Refrão:

Now I'm goin' through changes , changes
God I feel so frustrated lately
When I get suffocated, save me
Now I feel apart, now I feel it

But I'm going through changes, changes

God I feel so frustrated lately
And I get suffocated, I hate this
But I'm going through changes , changes.
