

3 Doors Down - Citizen-Soldier

tom:
 Beyond the boundaries of your city's lights
 Stand the heroes waiting for your cries
 So many times you did not bring this on yourself
 When that moment finally comes, I'll be there to help

On that day when you need your brothers and sisters to care
 I'll be right here

[Chorus]

Citizen soldiers holding the light for the ones that we guide
 from the dark
 Of despair
 Standing on guard for the ones that we sheltered
 We'll always be ready because we will always be there

When there are people crying in the streets

When they're starving for a meal to eat

When they simply need a place to make their

Beds

Right here underneath my wing

You can rest your head

[Chorus]

There... there... there

(Cm, Eb, Ab, Fm)

Hope and pray that you'll never need me
 But rest assured I will not let you down
 I'll walk beside you but you may not see me
 The strongest among you may not wear a crown

On that day when you need your brothers and sisters to care
 I'll be right here!
 On that day when you don't have the strength for the burden
 you bear
 I'll be right here!
