Letra:

Seven days underpaid gotta give it up

Got no time for this life that I'm livin' up

Shackled down, kicked around, now slave to the grind

Need some time for myself

I'll give you anything that you want me to

But I don't have the time so I'll get up with you

If you don't understand, man, you've got to believe

There is too much of you but there is not enough of me

Same old song, world moves on while I'm still in bed

Meet tomorrow today just to get ahead

Jump the gun on the run, I'm the only one

Who thinks that I'm fallin' behind?
