

## 3 Doors Down - Smack

Tom: F

A canção é muito simples e é feita em cima de power chords, então não achei necessário colocá-la em tablatura... Apenas cifrei a letra com os power chords que são usados. Ouça a música e pegue o ritmo, não é assim tão difícil... O ritmo é bastante sincopado e utiliza muito palm muting, mas é só... Boa sorte!!!  
Intro: (B E G A ) (B D A Gb F )

B D A Gb F  
Rubber headed motor junky, run me down and try to stomp me  
B D A Gb F  
Throw my life away, and I'll be worthless just like you  
B D A Gb F  
Somewhere now a baby's crying, down the road his mother's dying  
B D A Gb F  
Shot a line and blew her mind and now she's turning blue

Refrão:

B E G A  
Don't you throw your life away, just wait until another day  
B E G A  
Don't you throw your life away, cause baby I can feel it  
B E G A  
Don't you ever compromise it, don't you even realize it  
B E G A (B  
D A Gb F )  
Don't you throw your life away, cause baby I can feel it,  
now

B D A Gb F  
Trip and fall, I'm sure you all can tell me what is on the wall  
B D A Gb F

Behind the liquor store where you get smacked up all the time

B D A Gb F  
Perfect little life you wasted, overdosed and that death you tasted

B D A Gb F  
Scared you back into yourself, and now you walk the line

Refrão:

B E G A  
Don't you throw your life away, just wait until another day

B E G A  
Don't you throw your life away, cause baby I can feel it

B E G A  
Don't you ever compromise it, don't you even realize it

B E G A  
(Riff A )  
Don't you throw your life away, cause baby I can feel it,  
now

Riff A:

/ = slide

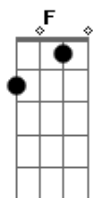

(B D A Gb F )  
Life away, life away, life away

Termine com B
