

30 Seconds To Mars - Hurricane

Tom: Db

(com acordes na forma de C)

Capostrate na 1ª casa

No matter how many times that you told me you wanted to leave
No matter how many breaths that you took, you still couldn't breathe

No matter how many nights that you lie wide awake

To the sound of the poison rain

Where did you go? Where did you go? Where did you go?

As days go by, the night's on fire

Tell me would you kill to save a life?

Tell me would you kill to prove you're right?

Crash, crash, burn, let it all burn

This hurricane's chasing us all underground

No matter how many deaths that I die I will never forget

No matter how many lies that I live I will never regret

There is a fire inside of this heart in a riot about to explode into flames

Where is your god? Where is your god? Where is your god?

Oooooooooooooooooooh Oooooooooooooooooooh

Oooooooooooooooooooh Oooooooooooooooooooh

Do you really want?

Do you really want me?

Do you really want me dead?

Or alive to torture for my sins?

Do you really want?

Do you really want me?

Do you really want me dead?

Or alive to live the lie?

Tell me would you kill to save a life?
Tell me would you kill to prove you're right?

Crash, crash, burn, let it all burn

This hurricane's chasing us all underground

The promises we made were not enough (Never play the game again)

The prayers that we have prayed were like a drug (Never gonna help me here)

The secrets that we sow we'll never know (Never sing a song a second time)

The love we had, the love we had

We had to let it go (Never giving in again, never giving in again)

Tell me would you kill to save a life?

Tell me would you kill to prove you're right?

Crash, crash, burn, let it all burn

This hurricane's chasing us all underground

Ohhhhhhhhhh Wohhhhhhhhhhhh Wohhhhhhhhhh (This hurricane)

Ohhhhhhhhhh Wohhhhhhhhhhhh Wohhhhhhhhhh (This hurricane)

Ohhhhhhhhhh Wohhhhhhhhhhhh Wohhhhhhhhhhhhhhhhhhhhhhhh

Do you really want?

Do you really want me?

Do you really want me dead?

Or alive to torture for my sins?

Do you really want?

Do you really want me?

Do you really want me dead?

Or alive to live the lie?

Final: F G Am
