

# 30 Seconds To Mars - One Track Mind (feat. A\$ap Rocky)

Tom: **G**

Love is like problems **G** **C**  
We all got 'em **E**

**E** **G**  
A dark night, remember  
**A**  
The sunrise, surrender  
**C**  
There isn't any other way  
**A**  
There isn't any other way

**E** **G**  
Hands tied, remember  
**A**  
It's suicide to surrender  
**C**  
There isn't any other way  
**A**  
There isn't any other way

**E** **G**  
I have a one track mind  
**A**  
I have a one track mind  
**C**  
There is a method to the madness, to the madness  
**A**  
Gotta have a one track mind, ooh  
( **E** **G** **A** **C** **A** )

**E** **G**  
The sex and lies, remember  
**A**  
Look in my eyes, surrender  
**C**  
There isn't any other way  
**A**  
There isn't any other way

**E** **G**  
Outta luck, outta time  
**A** **C**  
Outta sight, I'm outta mind  
**A**  
Mind

**E** **G**  
I have a one track mind  
**A**  
I have a one track mind  
**C**  
There is a method to the madness, to the madness  
**A**  
Gotta have a one track mind, ooh  
( **E** **G** **A** **C** **A** )  
**E** **G**  
Rode around town, I made it official now  
**A**  
Think about you every now and again  
There's the times, spend days runnin' with you, girl  
On my downtime, lockin' in  
**C**  
Take a ride around downtown  
I'm not in the rain time  
**A**  
Come alive in the nighttime  
When the rain stay  
When the rain mine  
**E**  
Love is like problems  
**G**  
We all got 'em  
**A**  
How come when you stop poppin'  
Everybody problems  
Come your problems  
**C**  
Let me cry about it  
Ain't my problem  
Ain't my fault, Mr. Kells with the shakka  
**A**  
Heard it's only 30 seconds 'til Mars  
Then it take you even less just to get to my heart  
( **E** **G** **A** **C** **A** )  
( **E** **G** **C** )

**E** **G**  
I have a one track mind  
[Method to the madness]  
**C**  
One track mind  
[Method to the madness]  
**E** **G**  
One track mind  
[Method to the madness]  
**C**  
One track mind
