

# 30 Seconds To Mars - Year Zero

Tom: **Ab**

Tabbed by: Maasman (colton maas)

Email:

Tuning: normal tuning

GRT 1: Rhythm Guitar

GTR 2: Lead Guitar

Note :on your amp put it at full gain and almost no volume,  $\frac{3}{4}$  bass,  $\frac{1}{4}$  middle,  $\frac{3}{4}$  treble

on your guitar put it on the sharpest settings and it'll sound exactly like the song.

I DIDN'T TAB THE LEAD GUITAR BECAUSE I DON'T HAVE A PEDAL AND IM TO LAZY TO FIGURE IT ALL OUT!

GTR 1
