Intro: **B** **Gb** **Abm** **E**

B **Gb**
On a hill There was a cross
Abm **E**
And all was lost In need of a savior

There you were Arms stretched wide
Abm **E**
Crucified No love could be greater
Dbm **E**
Than when you laid down your life

B
Who am I that you would come and die

I don't understand

Gb
Why the God of all the universe

Would become a man

Abm
To redeem the mess that I have made
Gb **E**
And take away the shame of what I've done

B
There is no, no greater love

B **Gb**

Every sin that held me down
Abm **E**
Is lifted now Because of your mercy
B **Gb**
Here I stand Forgiven and free
Abm **E**
Grace covers me Though I'm so unworthy
Dbm **E**
But you laid down your life

B
Who am I that you would come and die

I don't understand

Gb
Why the God of all the universe

Would become a man

Abm
To redeem the mess that I have made
Gb **E**
And take away the shame of what I've done
Gb **E**
There is no, no greater love
