

## 4 Non Blondes - Spaceman

Tom: G  
Intro: (solinho do início)

G C G C

Starry night bring me down

Till I realize the moon

It seems so distant yet I felt it pass right through

And I see what I see a new world is over me

So I'll reach up to the sky

And pretend that

(Chorus)

I'm a spaceman

In another place and time

I guess I'm looking for a brand new place

Is there a better life for me?

G C G C

Subtle wind blow me gone

Let me rest upon your move

I trust I'll end up sleeping cradled in my doom

And I feel what I feel

I can't grasp what is not real

So I'll get myself real high

C

And imagine

(Chorus)

I'm a spaceman

In another place and time

I guess I'm looking for a brand new place

Is there a better life for me?

I remember in my mind

They say I'm daydreaming

Is it all that it seems

Or am I all the things I'm looking for? yea-ha-ha

(Solo)

G C G C

And I see what I see a new world is over me

So I'll reach up to the sky

And imagine

(Chorus)

I'm a spaceman

In another place and time

I guess I'm looking for a brand new place

I remember living in a different life

Is there a better life for me?
