

49 Winchester - Yearnin' For You

tom:
Intro: **G**

Well, the coffee in my hotel
Ain't as good as yours at home
It's always weak as water and
You always made yours Strong
And I ain't strong enough to go
Without your loving for too long
Damn, I miss you

Well, you made this boy a promise that you'd
Never break his heart
And you ain't broke it yet, babe
So I reckon that's a start
The start of my forever and
The end of my old life
Oh, I could kiss you
