

5 Seconds Of Summer - Bad Dreams

Tom: C

Intro: C F Am G (2x)

C You look so beautiful
C no one but me knows you're insane
F I feel so damn pathetic
F my friends just don't get it
C cause you've got me under oath
C before you I was in a fucking rut
F one day you're in the past
F That night I ask you back
G It started out just harmless fun
F and now you've got me thinking you're the one

C Cause if you want to take me home
G you know I'm ready to leave
Am you've got me under your spell
F please don't set me free
C cause I've been having all these nightmares
G seeing you is my only way of feeling so defenseless
F but I'm telling you I wouldn't change a thing
C
