

5 Seconds Of Summer - Beside You

Tom: D

Bm Within a minute I was all packed up
A I've got a ticket to another world
Bm I don't wanna go
A I don't wanna go
Bm Suddenly words are hard to speak
A When your thoughts are all I see
Bm ?Don't ever leave,? she said to me
A When we both fall asleep, underneath the same sky
G To the beats of our hearts at the same time
Bm So close but so far away
A (Can you hear me?)

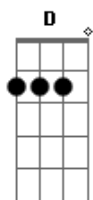

D She sleeps alone
G My heart wants to come home
Bm I wish I was, I wish I was
A Beside you
D She lies awake
G Trying to find the words to say
Bm I wish I was, I wish I was
A Beside you

Bm Another day, and I'm somewhere new
A I made a promise that I'll come home soon
Bm Bring me back, bring me back to you
A When we both wake up underneath the same sun
G Time stops, I wish that I could rewind
Bm So close but so far away

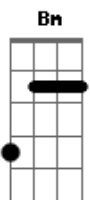

D

She sleeps alone
G My heart wants to come home
Bm I wish I was, I wish I was
A Beside you
D She lies awake
G Trying to find the words to say
Bm I wish I was, I wish I was
A Beside you
Gbm The pieces of us both
Bm Under every city light
A And the shining as we fade into the night
Bm She sleeps alone
G My heart wants to come home
Bm I wish I was, I wish I was
A Beside you
D She sleeps alone
G My heart wants to come home
Bm I wish I was, I wish I was
A Beside you
D She lies awake
G Trying to find the words to say
Bm I wish I was, I wish I was
A Beside you
G (D G Bm A G A Bm G)
 Beside you
 Beside you
 Beside you
D She sleeps alone
G My heart wants to come home
Bm I wish I was, I wish I was
A Beside you
