

## 5 Seconds Of Summer - Blender

tom:

G

Is it lonely where you are?

Bm

All the way across the room

G

With a knife inside your heart

Bm

I feel it, too, hmm

G

Is it just the way we are?

Bm

Always burning through the roof

G

Oh, I guess only the stars would know the truth, hmm

[Pré-Refrão]

G A

I'd die for you, I'd die for you

Bm A

I'd die for you (For you)

G A Bm

I tried for you, I tried for you, I tried

Em Gbm

But all I hear is

[Refrão]

G

All the things you said in my head

Bm

Ricochetting off the bed

G

Nothing left, what a mess

Oh, my God, it never ends

Now we're stressed and depressed

Bm

And we're going 'round again

Gbm

In an emotional blender

G

All the things you said in my head

Bm

Ricochetting off the bed

G

Nothing left, what a mess

Oh, my God, it never ends

Now we're stressed and depressed

Bm

And we're going 'round again

Gbm

In an emotional blender

[Segunda Parte]

G

But we just can't keep away

Bm

When you know me like you do

G

It's supernatural, got me howling at the moon

Bm

[Pré-Refrão]

G A

I'd die for you, I'd die for you

## Acordes
