

## 5 Seconds Of Summer - Carousel

tom:  
Capo: 2ª casa  
Intro: C

[Primeira Parte]

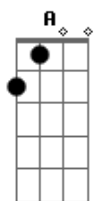

I built it from the ground up just to watch me burn it down  
I gotta keep the party going, ain't no fading out  
My life's just a carousel spinning around  
I'd pay again just to keep from stopping it now  
I tried to keep my head above the ocean of my doubt  
I'm feeling like a dreamer, don't you try to wake me now  
My life's just a carousel spinning around  
I'd pay again just to keep from stopping it now

[Refrão]

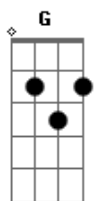

Looking for myself in the passenger side  
Driving to the edge 'till I get this right  
Trying to find the city with the brightest lights  
How you gonna get there, get there?  
Always looking back and I don't know why  
Something always there in the back of my mind  
Everybody's living on a one-way ride  
How you gonna get there, get there??

I feel like I'm a tiger in the circus ring again  
Every time I jump it's getting higher, never ends  
Oh, my life's just a carousel spinning around  
I pay again just to keep from stopping it now
