Tom: Eb

(com acordes na forma de D )  
Capostrate na 1ª casa

Em G  
Young love, close the chapter, there's no ever after

A  
Fell fast, ended faster, yeah

Em G  
Late night conversations, let to complications

A  
Now my heart is in my hands

Em  
Cause you walked out and left me stranded

G  
Nothing left but picture frames

A  
And I just keep on asking myself

Em G  
How'd we drift so far away from where we left off yesterday?

A  
I'm lonely like a castaway

Em G  
Heartbreak that I can't escape, a sinking ship I'll never save

A  
I'm lonely like a castaway

Em G  
All your screaming whispers, slip right through my fingers

A  
But these memories linger on

Em G

Eyes closed, all I see is good times disappearing

A  
And I'm trying to hold on

Em  
Cause you walked out and left me stranded

G  
Nothing left but picture frames

A  
And I just keep on asking myself

Em G  
How'd we drift so far away from where we left off yesterday?

A  
I'm lonely like a castaway

Em G  
Heartbreak that I can't escape, a sinking ship I'll never save

A  
I'm lonely like a castaway

Em G  
How'd we drift so far away from where we left off yesterday?

A  
I'm lonely like a castaway

Em G  
How'd we drift so far away from where we left off yesterday?

I'm lonely like a castaway
