

5 Seconds Of Summer - Daylight

Tom: **Ab**

(com acordes na forma de **G**)
Capostrate na 1ª casa

G **D**
I can't look at you in the same light
Em
Know what you did to my heart doesn't feel right
C
Yeah, my head's been tripping all night
I need another point of view

G **D**
I got a friend who's committed to sci-fi
Em
He's read every comic, he's addicted to twilight

Could give you the goosebumps
C
But he's never led me wrong

G
He said, "She's got a method of killing
D
Pulling you in like you're gonna start kissing
Em
Fooling around, until you lost all feeling
C
Sucking your blood until your heart stops beating"

G **D**
Before we started it was over
Em
I feel our bodies getting colder
C
She gives me a feeling that I can't fight

G **D**
And its the road that leads to nowhere
Em
But all I wanna do is go there
C
She's got me running from the daylight
Daylight

G **D**
I got a taste for it and I'm obsessed
Em
Lying here no fear in the darkness
C
Now I'm not happy unless I'm close enough to you

G
And all these dreams I'm dreaming
D
Freaking me out I wish I knew the meaning
Em
Doesn't make sense because I'm just not seeing
C

How I'm alive, it feels like I'm not breathing

G **D**
Before we started it was over
Em
I feel our bodies getting colder
C
She gives me a feeling that I can't fight

G **D**
And its the road that leads to nowhere
Em
But all I wanna do is go there
C
She's got me running from the daylight
Daylight

Em
I'm not ready to start again
C
And you're not willing to make amends
G
Now the daylight's dangerous
D
It will turn us both to dust

Em
I'm not ready to start again
C
And you're not willing to make amends
G
Now the daylight's dangerous
D
I believe it's much too late for us

G **D**
Before we started it was over
Em
I feel our bodies getting colder
C
She gives me a feeling that I can't fight

G **D**
And its the road that leads to nowhere
Em
But all I wanna do is go there
C
She's got me running from the daylight
Daylight **G D**

Em
I feel our bodies getting colder
C
She gives me a feeling that I can't fight

G **D**
And its the road that leads to nowhere
Em
But all I wanna do is go there
C
She's got me running from the daylight
