

## 5 Seconds Of Summer - Disconnected

Tom: D		Tune out the static sound	
D A G Em		A	
Oh, oh, o-o-oh		Of the city that never sleeps	
		Em	
D A		Here in the moment	
Life's a tangled web of cell phone calls		G	
		On the dark side of the screen	
D		D	
And you		I like the Summer rain	
A		A	
You're so caught up		I like the sounds you make	
Em	G	Em	
In all the blinking lights and dial tones		We put the world away	
		G	
D		We get so disconnected	
I admit I'm a bit of a victim		D	
A		You are my getaway	
In the worldwide system too			
Em		A	
But I found my sweet escape		You are my favorite place	
G		Em	
When I'm alone with you			
		We put the world away	
D		G	
Tune out the static sound		Yeah, we're so disconnected	
A			
Of the city that never sleeps		D A	
Em		Oh oh o-o-oh	
Here in the moment		(We're so disconnected)	
G		Em G	
On the dark side of the screen		Oh oh o-o-oh	
D		D	
I like the Summer rain		Turn off the radio	
A		A	
I like the sounds you make		Those late night tv shows	
Em		Em	
We put the world away		Hang up the telephone	
G		G	
We get so disconnected		And just be here with me	
D		D	
You are my getaway		Turn off the radio	
A		A	
You are my favorite place		Those late night tv shows	
Em		Em	
We put the world away		Hang up the telephone	
G		G	
Yeah, we're so disconnected		And just be here with me	
D A		D	
Oh, oh, o-o-oh		I like the Summer rain	
(We're so disconnected)		A	
Em G		I like the sounds you make	
Oh, oh, o-o-oh		Em	
		We put the world away	
D A		G	
Hands around my waist		We get so disconnected	
Em		D	
You're counting up the hills		You are my getaway	
G			
Across the sheets		A	
		You are my favorite place	
D A		Em	
And I'm a fallin star		We put the world away	
Em		G	
A glimmer lighting		Yeah, we're so disconnected	
G			
Up these cotton streets		D	
		I like the Summer rain	
D		A	
I admit I'm a bit of fool		I like the sounds you make	
A		Em	
For playing by the rules		We put the world away	
Em		G	
But I've found my sweet escape		We get so disconnected	
G		D	
When I'm alone with you		You are my getaway	
D		A	

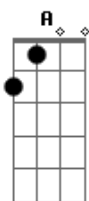

You are my favorite place  
Em  
We put the world away  
G  
Yeah, we're so disconnected

D A  
Oh, oh, o-o-oh  
(We're so disconnected)  
Em G  
Oh, oh, o-o-oh
