

## 5 Seconds Of Summer - If You Don't Know

Tom: C

Intro: C

Verse:

<sup>Am</sup> Tonight we're fading fast

<sup>F</sup> I just wanna make this last

<sup>Am</sup> If I could say the things I want to say,

I'd find a way to make you stay

<sup>F</sup> I'd never let you get away

Get you in all the games we play

Pre-chorus:

<sup>G</sup> So go ahead rip, my heart out,

<sup>Am</sup> Show me what love's all about

<sup>F</sup> Go ahead rip, my heart out

That's what love's all about

Chorus:

<sup>C</sup> I want you to want me this way,

<sup>G</sup> And I need you to need me to stay

<sup>Am</sup> If you say that you don't feel a thing

<sup>F</sup> If you don't know, let me go,

<sup>G</sup> Let me go, <sup>Am</sup> let me go, <sup>F</sup> let me go

If you don't know then just let me go

Verse:

<sup>Am</sup> Let's forget the past

<sup>F</sup> I swear we'll make this last

<sup>Am</sup> Cos' I remember the taste of your skin tonight

<sup>F</sup> And the way that you looked, you had those eyes

I remember the way I felt inside

And the name of the songs that made you cry

Pre-chorus:

<sup>G</sup> You would scream, we would fight, you would call me <sup>Am</sup> crazy

And I would laugh, you were mad but you'd always <sup>F</sup> kiss me

In the shirt that I had that you always borrowed

When I woke, it was gone

There was no tomorrow

Chorus:

<sup>C</sup> I want you to want me this way,

<sup>G</sup> And I need you to need me to stay

<sup>Am</sup> If you say that you don't feel a thing

<sup>F</sup> If you don't know, let me go,

<sup>G</sup> Let me go, <sup>Am</sup> let me go, <sup>F</sup> let me go

If you don't know then just let me go

Bridge:

<sup>Am</sup> Go ahead, rip my heart out,

<sup>G</sup> If you think that's what love's all about

<sup>F</sup> Go ahead, rip my heart out

Go ahead, rip my heart out

<sup>Am</sup> Go ahead, rip my heart out ,

<sup>G</sup> If you think that's what love's all about

<sup>F</sup> Go ahead, rip my heart out

Go ahead, rip my heart out

Chorus:

<sup>C</sup> I want you to want me this way,

<sup>G</sup> And I need you to need me to stay

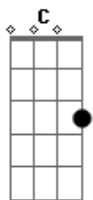

<sup>Am</sup> If you say that you don't feel a thing

<sup>F</sup> If you don't know, let me go,

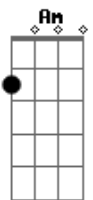

<sup>G</sup> Let me go, <sup>Am</sup> let me go, <sup>F</sup> let me go

If you don't know then just let me go
