5 Seconds Of Summer - If You Don't Know

Tom: C Intro: C	Pre-chorus:
Verse:	You would scream, we would fight, you would call me crazy F
Am Tonight we're fading fast	And I would laugh, you were mad but you'd always kiss me
F	In the shirt that I had that you always borrowed
I just wanna make this last Am	When I woke, it was gone
If I could say the things I want to say,	There was no tomorrow
I'd find a way to make you stay	
F I'd never let you get away	Chorus: C
Get you in all the games we play	I want you to want me this way, G
Pre-chorus:	And I need you to need me to stay
G	If you say that you don't feel a thing
So go ahead rip, my heart out, Am	F C If you don't know, let me go,
Show me what love's all about	G Am F
F Go ahead rip, my heart out	Let me go, let me go, let me go
Thats what love's all about	If you don't know then just let me go Bridge: Am
Chorus: C	Go ahead, rip my heart out, G
I want you to want me this way, G	If you think that's what love's all about F
And I need you to need me to stay	Go ahead, rip my heart out
If you say that you don't feel a thing F C	Go ahead, rip my heart out Am
If you don't know, let me go, G Am F	Go ahead, rip my heart out , G
Let me go, let me go	If you think that's what love's all about
If you don't know then just let me go	Go ahead, rip my heart out
Verse: Am	Go ahead, rip my heart out
Let's forget the past	Chorus:
I swear we'll make this last	I want you to want me this way,
Cos' I remember the taste of your skin tonight	And I need you to need me to stay Am
And the way that you looked, you had those eyes	If you say that you don't feel a thing
I remember the way I felt inside	If you don't know, let me go,
And the name of the songs that made you cry	Let me go, let me go
	If you don't know then just let me go
