

## 5 Seconds Of Summer - Independence Day

Tom: D

**Bm**  
You're telling me the same old story  
**G**  
And that I need to change  
**Bm**  
If you're not leaving my life for me  
**A** **G**  
You make me feel that way

**Bm**  
You know, you know

We're losing control  
**G**  
I gotta break away  
**A**  
Or nothing's gonna change

**Bm**  
You got to go  
It's the end of the road  
**G** **A**  
No matter what you do or say  
**G** **A**  
Baby you're not what I need

**Bm** **A** **G**  
I'm over this, I'm over you **D A G**

I'm not gonna waste my life away  
This is my independence day  
**Bm** **A** **G**  
I'm moving on, there's no excuse **D A G**

I can't take away the pain **Bm G A**  
This is my independence day **Bm G A**  
This is my independence day

**Bm**  
Suddenly my picture's looking perfect  
**G**  
Since you're not in the frame  
**Bm**  
And deep down, I never meant to hurt you  
**A** **G**  
But you're the one to blame

**Bm**  
You know, you know

We're losing control  
**G**  
Before it's too late  
**A**  
I'm making my escape

**Bm**  
Now that I'm gone

You're own your own  
**G** **A**  
No matter what you do or say

**G** **A**  
Baby you're not what I need

**Bm** **A** **G**  
I'm over this, I'm over you **D A G**

I'm not gonna waste my life away  
This is my independence day  
**Bm** **A** **G**  
I'm moving on, there's no excuse **D A G**

I can't take away the pain  
This is my independence day

**Bm** **G**  
Wouldn't it be nice  
**D** **A**  
If it could have worked out right for us?  
**Bm** **G** **D A**  
I know you're fighting for all we had  
**Bm** **G**  
But it didn't feel right  
**D** **A**  
Hearts on our sleeves we lost tonight  
**Bm** **G** **A**  
And there's no looking back

( **Bm G D A** ) 3x  
( **Bm** )

**Bm** **A** **G**  
I'm over this, I'm over you **D A G**

I'm not gonna waste my life away  
This is my independence day  
**Bm** **A** **G**  
I'm moving on, there's no excuse **D A G**

I can't take away the pain  
This is my independence day

**Bm** **G**  
Wouldn't it be nice  
**D** **A**  
If it would have worked out right for us?  
**Bm** **G** **A**  
And there's no looking back

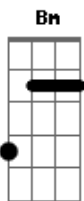

( **Bm G A** )  
This is my independence day

( **Bm G A** ) **G**  
This is my independence day
