

5 Seconds Of Summer - Invisible

Tom: **D**

Looking on as all of life's colours seem to fade to grey
I just walked away

Another day of painted walls and football on the TV
No one sees me
I fade away, lost inside a memory of someone's life
It wasn't mine

I was already missing before the night I left
Just me and your shadow and all of my regrets

Bm **A** **G**
Who am I? Who am I when I don't know myself?
Bm **A** **G**
Who am I? Who am I? Invisible

(**G** **Am** **Bm**)

I was already missing before the night I left
Just me and my shadow and all of my regrets

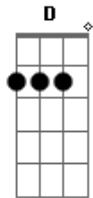

Bm **A** **G**
Who am I? Who am I when I don't know myself?
Bm **A** **G**
Who am I? Who am I? Invisible

Bm **A** **G**
Who am I? Who am I when I don't know myself?
Bm **A** **G**
Who am I? Who am I? Invisible
Bm **A** **G**
Who am I? Who am I when I don't know myself?
Bm **A** **G**
Who am I? Who am I? Invisible

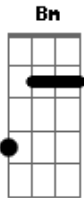

Wasted days, dreaming of the times I know I can't get back
It seems I just lost track

Another day, the walls are built to keep me safe
I can't escape, it's too late
