

## 5 Seconds Of Summer - Just Saying

```
Tom: E
                                                              He's someone else right behind your back
                                                                        Α
                                                              You know i'd never do that (he would never do that)
You got a boyfriend
                                                                 E
And he's a total loser
                                                              Just saying
     Dbm
All your friends tell you that he's got no future
                                                              You should leave him
                                                              Dbm Abm A
Cause it really makes me sick
But they like me
  E
                                                              Just saying
Just saying
                                                              Just saying
He barely takes you out
  В
If he does he's late
                                                              You don't need him
   Dbm
                                  Abm
                                                              Dbm Abm
And when the check comes he always makes you pay
                                                              I'll help you get over it
                                                              Just saying
R E C B
I'd never do that
                                                              Just saying
  E
Just saying
                                                              When you change your mind i'll be waiting
You should leave him
Dbm Abm A
Cause it really makes me sick
                                                              'cause i'm better than him
Just saying
B E C B
                                                              just saying
                                                              When you change your mind i'll be waiting
Just saying
                                                              Just saying
You don't need him
                                                              C B
Dbm Abm
                                                              Just saying
I'll help you get over it
Just saying
B E
                                                              You should leave him
Just saying
                                                              Dbm Abm
                                                              Cause it really makes me sick
                                                             Cause IC.
Just saying
E
When you change your mind i'll be waiting
                                                              Just saying
'cause i'm better than him
С В
just saying
                                                              You don't need him
                                                              Dbm Abm A
I'll help you get over it
When you change your mind i'll be waiting
                                                              Just saying E
Just saying
                                                              Just saying
Got a big house says he lives alone
    Dbm
                                                              When you change your mind i'll be waiting
But when i drove by i could see his mom was home
                                                              'cause i'm better than him
  Α
I got my own place
                                                              C B
   E
                                                               just saying
Just saying
                                                              When you change your mind i'll be waiting
He says he loves you
                                                              Just saying
                                                              СВ
But it's all an act
                                                              Just saying
Acordes
     Ε
                  В
                                             Abn
