

# 5 Seconds Of Summer - Kill My Time

tom:

G

F G

Wildflower, fingertips on me

A7 Em  
I can feel them still

F G  
Stained hearts trying to find a home

A7 Em  
Looking for something real

F

I said meet me downtown at the dive bar

G  
You're the only one that makes me feel alive

A7  
I can't keep drowning in the shadows

Em  
Here I am lay it all on the line

F

Meet me downtown at the dive bar

G  
You're the only one that makes me feel alive

A7  
I can't keep drowning in the shadows

Em  
You're the only one that matters

F

I don't wanna kill my time with somebody else

A7  
Dancing in the dark till the sun comes

Em  
Tangled in the sheets till the day's done

F

I don't wanna kill my time with somebody else

A7  
In a city full of lonely people i just

Em  
Want you all for myself

F

He's only got half of your heart

G  
'Cause I've got the other part

A7  
Why don't you say goodbye now?

F

Take you on a desert drive

G  
We can leave it all tonight

A7

Why don't you say goodbye now?

F

I said meet me downtown at the dive bar
