

## 5 Seconds Of Summer - More

```
Tom:
Intro: Bm E Bm E
If me and you are living in the same place
Why do we feel alone? Feel alone?
A house that's full of everything we wanted
But it's an empty home, empty home
           Bm
Why can't we choose our emotion?
'Cause we could feel something's broken
          Bm
And I can't stay without hoping
We'll never be alone, we'll never be alone, oh
And all the things that we dream about
            D
they don't mean what they did before
I just wanna get back to us
          D
'Cause we used to have more
Why does it feel like we're missing out?
Like I'm standing behind the door
I just wanna get back to us
'Cause we used to have more
(Bm E Bm E)
'Cause lately we've been living in different nations
Enemy lines are drawn, lines are drawn
We're speaking different tongues communicating
```

```
Right through the bedroom wall, bedroom wall
And as we fall, time is frozen
I know we break, but we're not broken
'Cause I can't stay without hoping
We'll never be alone, we'll never be alone, oh
And all the things that we dream about
They don't mean what they did before
I just wanna get back to us
'Cause we used to have more
Why does it feel like we're missing out?
Like I'm standing behind the door
I just wanna get back to us
'Cause we used to have more
(Bm E Bm E)
And all the things that we dream about
            D
They don't mean what they did before
I just wanna get back to us
'Cause we used to have more
Why does it feel like we're missing out?
Like I'm standing behind the door
I just wanna get back to us
'Cause we used to have more
(GBmDGA)
