

5 Seconds Of Summer - Moving Along

Tom: **D**

Em **A**
Is it bad that I'm hoping that you're broken?
D **A**
Is it bad that i'm wishing you were broken?
Em **A**
That you haven't found fish in the ocean
D **G**
Is it bad? it's so bad
Em **A**
Is it weird that i'm drinking on my sofa?
D **A**
Is it weird that i'm thinking on my sofa?
Em **A**
All alone, damn, I wish I didn't know ya
D **G**
Is it weird? it's so weird

Em **A**
I know i'm still the one who ends it, ay
D **G**
And i'm still the one who cuts a nerve
Em **A**
Send me a couple drinks till I'm there
D **G**
You know i'm still the one

Em **A**
Been thinking about you lots, lately
D **G**
Have you been eating breakfast alone like me
Em **A**
Thinking about you lots, lately
D **G**
Are you moving along?

Em **A**
Been thinking about you lots, lately
D **G**
Have you been filling empty beds just like me
Em **A**
I've been thinking about you lots, lately
D **G**
Are you moving along?

Em **A**
Is it wrong if I ask to see your number?
D **A**
Is it wrong if i tell you that I love ya?
Em **A**
Even though I never do it when i'm sober
D **G**

Is it wrong?

Em **A**
I know i'm still the one who ends it, ay
D **G**
And i'm still the one who cuts a nerve
Em **A**
Send me a couple drinks till I'm there
D **G**
You know i'm still the one

Em **A**
Been thinking about you lots, lately
D **G**
Have you been eating breakfast alone like me
Em **A**
Thinking about you lots, lately
D **G**
Are you moving along?

Em **A**
Been thinking about you lots, lately
D **G**
Have you been filling empty beds just like me
Em **A**
I've been thinking about you lots, lately
D **G**
Are you moving along?

G **A** **D**
Instead of moving on, we'll try again
G **A** **Bm**
So if you're moving on, won't you just tell me
G **A** **D**
Scared of moving on, cause you're already gone
G **A** **Bm**
So if you're moving on, won't you just tell me

Em **A**
Been thinking about you lots, lately
D **G**
Have you been eating breakfast alone like me
Em **A**
Thinking about you lots, lately
D **G**
Are you moving along?

Em **A**
Been thinking about you lots, lately
D **G**
Have you been filling empty beds just like me
Em **A**
I've been thinking about you lots, lately
D **G**
Are you moving along?
