

5 Seconds Of Summer - Over And Over

Tom: **B**

B
You know something I don't **Gb**
Abm
It's not like you to be cold
E
Every night replayed over and over.
B **Gb**
You say things that I don't
Abm
You make me feel alone
E
Every night replayed over and over.

E
You say it's no concern
B
And everything's alright.
E
Sometimes we all get burnt
B
And then we try to hide.
E
And I know and I know and I know and I know we're wrong
B
We should have let things slide.

Abm **E**
Cause when the night gets dark
B
And there's no way back
Gb
I'll call your name but it's fading
Gb
We're fading.

B **Gb**
You know something I don't
Abm
It's not like you to be cold
E
Every night replayed over and over.
B **Gb**
You say things that I don't
Abm
You make me feel alone
E
Every night replayed over and over.

E
So many times you say
B
You're staying out tonight.
E
I wish that I could just walk away

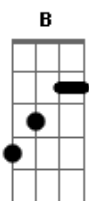

B
But I won't leave you behind.
Abm **E**
Cause when the night gets dark
B
And there's no way back
Gb
I'll call your name but it's fading
Gb
We're fading.

B **Gb**
You know something I don't
Abm
It's not like you to be cold
E
Every night replayed over and over.
B **Gb**
You say things that I don't
Abm
You make me feel alone
E
Every night replayed over and over.
Gb **B**
Well I won't look back no more
Abm
Just like I did before
E
Always thinking that it's gonna be alright.
Gb **B**
And I'm gonna start again
Abm
This time I won't pretend
E
That you're coming back into my life.

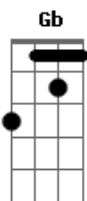

B **Gb**
You know something I don't
Abm
It's not like you to be cold
E
Every night replayed over and over.
B **Gb**
You know something I don't
Abm
It's not like you to be cold
E
Every night replayed over and over.

B **Gb**
You say things that I don't
Abm
You make me feel alone
E
Every night replayed over and over.
