

5 Seconds Of Summer - Vapor

Tom: **Db**

(com acordes na forma de **C**)
 Capotraste na 1ª casa

I'll take what you got, got, got

I know it's not a lot, lot, lot

Cause I just need another hit
 You're the thing that I can't quit

You got what I want, want, want

Here and then you're gone, gone, gone

If you told me that we were through
 You know that I would break the truce

I want to breathe you in like you're vapour
 I want to be the one you remember
 I want to feel your love like the weather
 All over me, all over me
 I want to print our hands in the pavement
 Savour your words, I won't ever waste them
 Look in your eyes and know just what you miss
 So lie to me, just lie to me

You sound so sweet
 When you lie to me
 Make you sound so sweet
 When you lie to me

I want to breathe you in like you're vapour
 I want to be the one you remember
 I want to feel your love like the weather
 All over me, all over me
 I want to print our hands in the pavement
 Savour your words, I won't ever waste them
 Look in your eyes and know just what you miss
 So lie to me, just lie to me

You sound so sweet
 When you lie to me
 Make you sound so sweet
 When you lie to me

I want to breathe you in like you're vapour
 I want to be the one you remember
 I want to feel your love like the weather
 All over me, all over me
 I want to print our hands in the pavement
 Savour your words, I won't ever waste them
 Look in your eyes and know just what you miss
 So lie to me, just lie to me

You sound so sweet
 When you lie to me
 Make you sound so sweet
 When you lie to me

I want to breathe you in like you're vapour
 I want to be the one you remember
 I want to feel your love like the weather
 All over me, all over me
 I want to print our hands in the pavement
 Savour your words, I won't ever waste them
 Look in your eyes and know just what you miss
 So lie to me, just lie to me

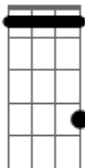

You sound so sweet
 When you lie to me
 Make you sound so sweet
 When you lie to me

I want to breathe you in like you're vapour
 I want to be the one you remember
 I want to feel your love like the weather
 All over me, all over me
 I want to print our hands in the pavement
 Savour your words, I won't ever waste them
 Look in your eyes and know just what you miss
 So lie to me, just lie to me

You sound so sweet
 When you lie to me
 Make you sound so sweet
 When you lie to me
