tom: G

Wildflower Db

Wildflower

[Primeira Parte]

Db I hear you callin' up my name B

I love the sound, I love the taste Db

And I?can?see it in?your face B

You've got a side you?can't explain

[Pré-Refrão]

Db You're tellin' me, you're tellin' me, you're tellin' me you wanna come over B

You wanna be, you wanna?be, you wanna be, you wanna be closer Db

I love it when you wear your hair down over your shoulder B

'Cause I wanna hold ya

'Cause I know where tonight is going

[Refrão]

Db You're the only one who makes me B

Every time we

I'll tell you what I like

My wildflower Db

You're the only one who makes me B

Every time we

I'll tell you what I like

My wildflower Db

You know you are my favorite fantasy B

A fatal love, so, waterfall is overflowin' Db

You're the only one who makes me B

Every time we

I'll tell you what I like

My wildflower

[Segunda Parte]

Db I see the color in your face B

It makes me smile, it makes me shake (Ooh) Db

I see the shadow in my brain B

And I like its look, and I like its shape (Ooh)

[Pré-Refrão]

Db You're tellin' me, you're tellin' me

You're tellin' me you wanna come over B

You wanna be, you wanna?be, you wanna be, you wanna be closer Db
