

50 Cent - Ayo Technology

```
of me
Tom: B
                                                               Abm
   ( Abm Ebm Dbm )
                                                               Aayooh
Something special
                                                                                  Fhm
                                                                                                Dbm
Unforgettable
                                                               I'm tired of using technology I need you right in front of me
50 Cent (cent)
                                                               0oh
                                                                    she wants it uh uh she wants it
Justin (tin)
Timbaland (land) god damn (damn)
                                                               Fhm
                                                               0oh
                                                                    she wants it (so) I gotta give it to her
She she she want it I want to give it to her
                                                               Abm
She know that it's right here for her
                                                                    she wants it uh uh she wants it
I want to see you break it down I'm ballin' throwing money around
                                                                                   Dbm
                                                               Ebm
                                                                    she wants it (so) I gotta give it to her
                                                               0oh
(verse 1 - 50 Cent & Justin Timberlake)
                                                               Your hips your thighs you got me hypnotized let me tell you
She work it girl she work the pole
                                                                                           Dbm
                                                               Ebm
                                                                                       you got me hypnotized let me tell you
She break it down she take it low
                                                               Your hips
                                                                          your thighs
                                                               Abm
She fine as hell she about the dough
                                                               Your hips
                                                                          your thighs
                                                                                       you got me hypnotized let me tell you
Dbm
                                                               Fhm
                                                                                           Dbm
                                                                          your thighs you got me hypnotized let me tell you
She doing her thing out on the floor
                                                               Your hips
Ahm
Her money money she makin' makin'
                                                               ( Abm Ebm Dbm )
Look at the way she shakin' shakin'
                                                               (verse 2 - 50 Cent & Justin Timberlake)
Make you want to touch it make you want to taste it
                                                               Got a thing for that thing she got
Have you lustin' for her go crazy face it
                                                               The way she make it shake the way she make it pop
                                                               Make it rain for us so she don't stop
Now don't stop get it get it
                                                               I ain't got to move I can sit and watch
The way she shakin' make you want to hit it
                                                               In her fantasy there's plain to see
                                                               Just how it be on me backstrokin' sweat soaking
Dbm
Think she double jointed from the way she split
                                                               All into my set sheets
                                                               When she ready to ride I'm ready to roll
Got you're head fked up from the way she did it
                                                               I'll be in this bitch till the club close
                                                               What should I do one thing on all fours
Ahm
She's so much more than you're used to
                                                               Now that that shit should be against the law
She know's just how to move to seduce you
                                                               From side to side let the ride break it down (down down)
                                                               You know I like when you hike and you throw it all around
                                                               Different style different move damn I like the way you move
She gone do the right thing and touch the right spot
                                                               Girl you got me thinking about all the things I do to you
                                                               Let's get it poppin' shorty we can switch positions
Dance in you're lap till you're ready to pop
                                                               From the couch to the counters in my kitchen
She always ready when you want it she want it
                                                               (chorus - Justin Timberlake)
       Fhm
                           Dbm
Like a nympho the info I show you where to meet her
                                                               Baby this a new age you like my new craze
                                                               Let's get together maybe we can start a new phase
On the late night till daylight the club jumpin'
                                                               The smokes got the club all hazy spotlights don't do you
                                                               iustice baby
              Ebm
If you want a good time she gone give you what you want
                                                               Why don't you come over here you got me saying
(chorus - Justin Timberlake)
                                                               I'm tired of using technology why don't you sit down on top
                                                               of me
Baby this a new age you like my new craze
                         Dbm
                                                               Aayooh
Let's get together maybe we can start a new phase
                                                               I'm tired of using technology I need you right in front of me
The smokes got the club all hazy spotlights don't do you
                                                                    she wants it uh uh she wants it
                                                               0oh
                                                                                 (so) I gotta give it to her
iustice baby
                                                               0oh
                                                                    she wants it
Fbm
                       Dbm
                                                               0oh
                                                                    she wants it uh uh she wants it
Why don't you come over here you got me saying
                                                                    she wants it
                                                                                 (so) I gotta give it to her
                                                               0oh
Abm
                                                               Your hips
                                                                          your thighs you got me hypnotized let me tell you
                                                                          your thighs
Aayooh
                                                               Your hips
                                                                                       you got me hypnotized let me tell you
                   Ebm
                                  Dhm
                                                               Your hips
                                                                          your thighs
                                                                                       you got me hypnotized let me tell you
I'm tired of using technology why don't you sit down on top
                                                               Your hips
                                                                          your thighs you got me hypnotized let me tell you
