

7 Hills Worship - comforter (Lover of my soul)

tom:

Intro: **B** **E** / **Abm** **Gb** **E**

[Primeira Parte]

When my heart feels heavy and my head hangs low

And my feet don't know which way to go

You are the lamp that guides my way back home

From where I've been to where I'll go

From "I'm not sure" to "this I know"

You are the friend that always holds me close

[Refrão]

Lover of my soul, never let me go (Never let me go)

Surrender to You, God, give You all control

There's no greater comfort I could ever know

Lover of my soul, never let me go

[Segunda Parte]

When what I say and what I do

Don't look the same as loving You

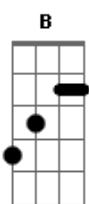

God, You remind me how to follow through

From broken falls and joyful climbs

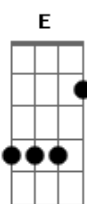

In restless lows and sleepless nights

I know that You will be there by my side
