

# A Day To Remember - Better Off This Way

Tom: G

Em G D  
I wonder if you'll notice, if they lock me up and throw away  
the key  
Em G D  
Gotta be open minded, you've got a lot to learn in the ways of  
me  
Em  
You've always got to say something,  
G D  
I'm none of your concern but you won't listen at all  
Em G  
You know i'd rather say nothing, and just be proud of myself  
D  
I'm tearing down these walls.

C G D  
When you fall I'll be the only one who looks away  
C G D  
When you call I'll be the first to tell you I can't stay  
C G D C  
It's all over, I've found a better way to help keep you from  
me  
D  
I'm better off this way  
C G D  
Wo-oh, wo-oh  
D  
I'm better off this way  
C G D  
Wo-oh, wo-oh

Em G  
You gotta keep this coming, tell me like you know it but you  
don't know  
Em  
nothing , your call.

D  
We can settle this like gentlemen, or meet me at the back to  
end it all  
inside again.  
Em G  
My whole life's been waiting, ever since I can remember  
D Em  
Been anxious awaiting your fall, and don't let me be a long  
while  
G D C  
Can't let go of my life till I know you're done.
