

A Day To Remember - Better Off This Way

Tom: G

Em I wonder if you'll notice, if they lock me up and throw away the key
Em **G** **D** Gotta be open minded, you've got a lot to learn in the ways of me
Em **D** You've always got to say something,
G **D** I'm none of your concern but you won't listen at all
Em **G** You know i'd rather say nothing, and just be proud of myself
D I'm tearing down these walls.

C **G** **D** When you fall I'll be the only one who looks away
C **G** **D** When you call I'll be the first to tell you I can't stay
C **G** **D** **C** It's all over, I've found a better way to help keep you from me
D I'm better off this way
C **G** **D** Wo-oh, wo-oh
D I'm better off this way
C **G** **D** Wo-oh, wo-oh

Em **G** You gotta keep this coming, tell me like you know it but you don't know
Em nothing , your call.

D We can settle this like gentlemen, or meet me at the back to end it all

inside again.

Em **G** My whole life's been waiting, ever since I can remember

D **Em** Been anxious awaiting your fall, and don't let me be a long while

G **D** **C** Can't let go of my life till I know you're done.

C **G** **D**
