

A Day To Remember - Homesick

```
Tom: C
                                                                  (bridge) (2:11)
   (afinação € )
                                                                                                                   (Slowly release
                                                                 palm)
(X) Mutes.
                                                                  (breakdown) (2:29)
(.) Palm Mutes.
( ) Bend String.
(~) Hold Note.
                                                                  (3:04)
(/) Slide up to. Don?t count the ones under the string
                                                                                (Slowly release palm)
    Letters.
(verse 1) (0:00)
                                                                  (chorus 3) (3:12)
                                                                  (mini breakdown 2) (3:30)
(pre chorus 1) (0:20)
                                                                  (just thought id put this in here)
(chorus 1) (0:39)
                                                 (0:56)
                                                                  (lead Breakdown) (2:29)
                                                                  (the only part I could work out for the lead)
(verse 2) (0:58)
                                                                  (verse 1)
(pre chorus 2) (1:17)
                                                                  (pre chorus)
                                                                  (chorus 1)
                                                                  (verse 2)
                                                                  (pre chorus 2)
(chorus 2) (1:36)
                                                                  (chorus 2)
                                                                  (mini breakdown 1) (I didnt know what else to call it?)
                                                                  (bridge)
(mini breakdown) (1:54)
                                                                  (breakdown)
                                                                  (chorus 3)
                                                                  (mini breakdown 2)
