

A Day To Remember - You Had Me At Hello

Tom: **D**

Tabbed by: Adam

Tuning: Standard
Intro: (4x)

Guitar 1

Guitar 2 just strum these once each or however you like

Verse

Guitar 1 just keep repeating these chords

Guitar 2 keep repeating these chords (emphasis on high e notes)

Pre-Chorus

Guitar 1 (2x)(i dont know the lower notes that go along with the 12 and on mess around with them)

Guitar 2 (2x) im not sure on this just mess around with these notes maybe

Chorus

Guitar 1

Guitar 2 this is light in the background and the little fill is prob off

Post-Chorus

Guitar 1 either strum or pick these over and over

Guitar 2 play this first part repeating over and over until 1:50

Guitar 2 - 1:50

Verse 2 - Guitar 2 stays the same

Guitar 1 over and over

Chorus stays same

Bridge

Guitar 2 play the notes quietly in background over and over then go to chords when muting on guitar 1 ends Then just repeat chorus and Pre-Chorus for outro

The chords being played for guitar 1 on the outro is the same progression as the bridge and guitar 2 is playing the chords from the pre chorus

sorry if anything is off i did it all by ear. im pretty sure i can say theres no other for this song that come this close. any questions or corrections just email me or comment.
